S.S.S. LILIES

If you do not buy price only—they are the cheapest—more flowers per bulb and less bulbs to throw away. (We said this last year and it proved to be true.)

HERE ARE A FEW REASONS WHY OUR CUSTOMERS ARE OUR FRIENDS

April 5, 1930.
The Lilies, which we bought from you, are looking fine and we expect them to be in good shape Easter.

HIBBERD FLORIST, Durham, N. C.

April 26, 1930.
Just got in some Briarcliff Roses from you. The plants are nice and clean and were well packed. Just a word about the Easter Lilies. They were the best we have had in years and we had them just right. The Valley stock you have been sending us this season is again very good.

A. W. RICHARDSON, Savannah, Ga.

Feb. 26, 1930.
On January 23rd, you shipped us twenty-five hundred Valley Pips from the new crop. We take pleasure in advising that this is the best Valley we have ever forced. The first batch we have just finished cutting average 98 per cent perfect flowers.

DOYLE FLORISTS, Lynchburg, Va.

April 30, 1930.
The Harrisi were very good. I had lots of compliments on these plants.

VICTOR MATHIS, Louisville, Ky.

June 25, 1930.
Please send me the same variety and quality, only smaller size bulbs. My only complaint (?) is that last year my Lilies (Harrisi) were too large with too many buds. I had them with 8 to 14 buds, and they were the best lot of Lilies around my neighborhood.
